STATE PURCHASING AGENT

EXECUTIVE OFFICE OF ENVIRONMENTAL AFFAIRS
DIVISION OF CONSERVATION SERVICES

2030 - 0100

ORGANIZATIONAL CHART

All five Ass't. Reg. Forest & Parks Supervisors positions are confidential positions in order to aid the Department of Environmental Management and are located in DEM Regional Headquarters.

INTRODUCTION

Established in 1963 as a means of providing a closer liaison between state and local natural resource programs, the Division of Conservation Services functions principally to assist regional conservation districts, municipal park, recreation and conservation commissions in their efforts to preserve and acquire open space and recreational lands; and to assist them in managing and properly developing those natural resources. The division provides technical and financial assistance to the sixteen (16) conservation districts and to municipal park, recreation and conservation commissions. The Division also acts as the conduit through which federal Land and Water Conservation Fund financial assistance is made available to other state or county agencies or special districts for outdoor recreation facility acquisition or development.

PROGRAMS

The Division's major responsibilities include;

- Administration of four grant-in-aid programs
 - Federal Land & Water Conservation Fund (P.L. 88-578)
 - Self-Help Fund
 - Urban Self-Help Fund (C. 933, Acts of 1977, as amended)
 - Massachusetts UPARR Program (C. 132A S.11E)
- Review and processing of conservation restrictions (C. 184, S. 31-33)
- Review of Municipal Open Space/Recreation plans which are a requirement for participation in the division's grant programs.
- Administration of funds allocated to the 16 conservation districts and coordination of district activities, i.e. provisions of technical assistance to municipal conservation and recreation commissions and to private individuals in natural resource matters.

The division staff currently consists of a Director; Coordinator, State and Municipal Recreation Program, one Land Use Administrator, Five Assistant Regional Forest and Park Supervisors who work for the division and are located in each of the five regional headquarters of the Department of Environmental Management; and a Principal Clerk.

PERSONNEL CHANGES

During fiscal year 1982 Dan O'Brien, Coordinator, State and Municipal Recreation Program left the division and was promoted by the Department of Environmental Management to the position of Fiscal Manager, division of Acquisition and Construction. Dana Samuelson was, in turn, promoted from the ranks of D.E.M. to fill Mr. O'Briens position in April of 1982.

Helen Murphy, principle clerk, left her position to take a promotion with the Division of Solid Waste in D.E.M. in June of 1982. Her replacement, Doris Dewey started working for the division early in fiscal year 1983 but resigned in January of 1983. She, in turn, was replaced by Robin Lewis late in the fiscal year.

As a result of budget reductions in fiscal year 1981 and due to the inability to fill two vacant Senior Clerk Stenographer positions the Legislature eliminated these unfilled civil service positions. Fiscal year 1982 was particularly disappointing in that further salary account reductions required laying off Johnathan Geer, Land Use Administrator. Mr. Geer administered the division's Self-Help programs. The Land Use Administrator civil service position was also eliminated by the Legislature.

To compound personnel matters, the division's review appraiser, John Sullivan, returned to the Department of Environmental Quality Engineering from whence he was on loan. His appraisal expertise will be sorely missed.

PROGRAM CHANGES

During fiscal year 1982, Congress failed to appropriate any money to the States from the Land and Water Conservation Fund. Resultingly, there was no Land and Water Conservation Fund grant round for FY-1982. Stating the action was only a one year moratorium, Congress kept their word by appropriating \$75,000,000 from the FY-83 annual account and a supplemental appropriation of \$40,000,000 from the "Jobs Bill" (P.L. 98-8). A more detailed analysis of the program follows.

Unlike the federal program, the Self-Help and Urban Self-Help programs kept moving right along. Both received additional appropriations by the Legislature during fiscal years 1982 or 1983. The following presents the status of the bond fund appropriations going back some 10 years.

<u>Chapter & Year of Authorization</u>	<u>Amount of Bond Issue</u>	
	<u>Self-Help</u>	<u>Urban Self-Help</u>
Chapter 313, Acts of 1982	\$3,000,000	
Chapter 313, Acts of 1982		
Chapter 784, Acts of 1981	\$5,000,000	
Chapter 578, Acts of 1980		\$3,350,000*
Chapter 578, Acts of 1980	\$1,000,000	
Chapter 513, Acts of 1978		\$5,000,000
Chapter 930, Acts of 1977	\$4,000,000	
Chapter 481, Acts of 1976	\$6,000,000	
Chapter 519, Acts of 1974	\$5,000,000	

* \$350,000 subsequently transferred by the Legislature to the Division of Capital Planning Office for the purchase of the Tenney Estate in Methuen.

Of the sums appropriated above, some \$5,000,000 in Self-Help funds remain for the FY-1984 grant round and some \$5,000,000 for the Urban Self-Help program.

The 1982 Urban Self-Help bond act also permitted up to 20% of the appropriation to be utilized in conjunction with the National Park Service Urban Park and Recreation Recovery Program. Language problems with the outside language of the act were subsequently corrected in FY-83 by Chapter 167, Acts of 1983.

A more detailed discussion of the Self-Help, Urban Self-Help and UPARR Programs follows.

Land and Water Conservation Fund Program

The Land and Water Conservation Fund Program (P.L. 88-578) is administered nationally by the National Park Service and provides matching grants to the state, and through the state, to its political subdivisions for the acquisition and development of public outdoor recreation areas and facilities. Projects must be in accord with the Massachusetts Statewide Comprehensive Outdoor Recreation Plan (SCORP) which is maintained by the Department of Environmental Management's planning office. The Secretary of Environmental Affairs has been designated by the Governor to act as the State Liaison Officer for grant program administration. The Secretary, in turn, has assigned program administration to the division.

The fifty (50) states, the territories of Guam, American Samoa, Puerto Rico, Virgin Islands, the District of Columbia and federal agencies receive money annually from Congressional appropriations from the Land and Water Conservation Fund. The states' side of the appropriation is apportioned among the several states and territories by a fixed formula by the Secretary of the Interior.

The Fund is financed by revenues the federal government receives from off-shore oil and mineral lease sales, sales of surplus properties, and motor boat fuel taxes.

The Reagan administration's 1982 budget did not include an appropriation to the states' side of the program and Congress acquiesced by placing a one year moratorium on the state grant program. The disruption caused considerable confusion with prospective applicants who had come to rely upon the money as their park restoration fund support.

Though there was no funding round, the following projects were approved in FY-82 as a result of the availability of money which had not been obligated at the close of FY-1981. The projects were as follows:

<u>PROJECT</u>	<u>PROJECT TITLE</u>	<u>SPONSOR</u>	<u>FUND AMOUNT</u>
25-00314	Holyoke Heritage S.P.	D.E.M.	\$ 600,000.00
25-00315	Lawrence Heritage S.P.	D.E.M.	\$ 400,000.00
25-00316	Lynn Heritage S.P.	D.E.M.	\$ <u>290,327.00</u>

Total \$ 1,290,327.00

With the approval of the three above D.E.M. projects, all of the FY-1981 apportionment was obligated. However, as a result of the cancellation of two projects previously approved in FY-1980 (D.E.M.'s So. Beach # 25-00294, \$387,000 and the Boardman Acquisition project# 25-00278, \$750,000.00) and re-apportioned, unutilized money, the following, existing projects were amended by adding more money to cover project cost overruns. They were:

<u>PROJECT#</u>	<u>PROJECT TITLE</u>	<u>SPONSOR</u>	<u>AMOUNT</u>
#25-00170	So. Cape Beach	D.E.M.	\$999,663.93
#25-00259	Bourne Marina	Bourne	\$600,000.00
#25-00264	Balliet & Morris	Springfield	\$ 39,463.00
#25-00266	Greenleaf Park	Springfield	\$ 83,392.00
#25-00305	Arlington Reservoir	Arlington	\$ 31,214.00
#25-00306	Lynn Commons	Lynn	\$ 42,500.00
TOTAL			\$ <u>1,796,232.93</u>

During FY-82, two L&WCF program audits covering the periods 7/1/76-6/30/78 and 7/1/79 - 6/30/80 were conducted. While the program received good marks overall, D.E.M. particularly, experienced some record keeping difficulties in administering their S.C.O.R.P. program. As a result, the following repayments to the Fund were required.

<u>PROJECT</u>	<u>SPONSOR</u>	<u>AMOUNT</u>
25-00206	Watertown	\$ 70.00
25-00202	D.E.M.	\$4,500.00
25-00252	D.E.M.	\$1,634.00
25-00068	D.E.M.	\$1,450.00
25-00122	D.E.M.	\$6,533.50
		\$ <u>14,187.50</u>

All questioned audit costs were resolved with the repayments. The following projects received partial or final payments in 1982. They were:

FY-1982 L&WCF REIMBURSEMENTS

<u>PROJECT#</u>	<u>PROJECT TITLE</u>	<u>SPONSER</u>	<u>AMOUNT</u>
25-00056	Wompatuck S.P.	D.E.M.	\$ 5,595.43
25-00153	Farnam Smith Acq.	D.E.M.	\$ 8,502.22
25-00163	Storer Conservation Lands	Waltham	\$ 20,465.35
25-00186	Pulaski Park	Holyoke	\$ 2,945.14
25-00202	Appalachian Trail	D.E.M.	\$ 37,750.00
25-00221	Charlestown Water Front Park	Boston	\$ 55,127.04
25-00231	Riverside Press	Cambridge	\$145,046.62
25-00232	Greenwood Swimming Pool	Worcester	\$ 11,900.00
25-00234	Springdale Park	Holyoke	\$ 50,000.00
25-00241	South Broadway Park	Malden	\$ 15,302.65
25-00245	Keaney Park	Lynn	\$184,205.95
25-00252	S.C.O.R.P.	D.E.M.	\$161,319.85

25-00264	Balliet and Morris Playgrounds	Springfield	\$ 76,280.25
25-00265	Belle Isle Marsh	M.D.C.	\$ 72,386.26
25-00266	Greenleaf Park	Springfield	\$133,574.56
25-00274	Urban Wilds	Boston	\$ 35,500.00
25-00275	Hadley Falls Canal Park	So. Hadley	\$ 41,097.15
25-00283	Sumner St. Recreation Area	Norwood	\$ 54,000.00
25-00285	Kiley Playground	Lynn	\$ 75,734.50
25-00287	Riverfront Promenade	Haverhill	\$110,022.79
25-00291	Noel Field	No. Adams	\$ 31,086.66
25-00302	Lechmere Canal Park	Cambridge	\$252,536.39
25-00308	Elwell Island Acquisition	Northampton	\$ 6,500.00

33 final and partial payments totalling \$2,236,574.31 were received and credited to project sponsors in FY-1982.

Fiscal year 1983 saw Congress regroup from the initial budget cutting strategies of the Reagan Administration and renewed support for the Land and Water Conservation Fund program surfaced with an appropriation of \$75,000,000 to the Fund. An additional \$40,000,000 was appropriated for park renovation projects in the federal "Jobs Bill." The respective apportionments from each source were \$ 1,681,496.00 and \$ 952,000.00 (\$2,633,496.00 total). Due to the lateness of the appropriation, a special grant round was held in April of 1983.

The following projects received L&WCF obligations during the spring of fiscal year 1983. They were:

<u>PROJECT#</u>	<u>PROJECT TITLE</u>	<u>ACRES</u>	<u>SPONSOR</u>	<u>FUND AMOUNT</u>
25-00320	Franklin Square		Boston	\$ 133,400.00
25-00339	Franklin Park		Boston	\$ 250,000.00
25-00318	Franklin Field		Boston	\$ 200,000.00
25-00341	East Park		Worcester	\$ 127,223.00
25-00327	Riverside Park		Methuen	\$ 136,000.00
25-00317	Leonard Park		Lawrence	\$ 50,000.00
25-00328	Glen St. Playground		Somerville	\$ 137,500.00
25-00328	Morse-Kelley Playground		Somerville	\$ 87,500.00
25-00323	Barry Playground		Lynn	\$ 152,500.00
25-00322	Cook Playground		Lynn	\$ 75,000.00
25-00330	Library Park		Holyoke	\$ 40,000.00
25-00332	DiSalvo Park		Revere	\$ 100,000.00
25-00340	Library Park II		Woburn	\$ 111,520.00
25-00321	Rivers Park		Chicopee	\$ 156,000.00
25-00329	Lake Ellis		Athol	\$ 25,000.00
25-00326	Look Park		Northampton	\$ 125,000.00
25-00334	Onota Lake Pavillion		Pittsfield	\$ 10,000.00
25-00338	Greenfield Pool		Greenfield	\$ 12,963.00
25-00343	Women's Temperance Park		Westfield	\$ 92,110.00*
25-00325	Gramstorf Playground		Everett	\$ 70,000.00
25-00344	Old Pond/New Pond		Easton	\$ 15,900.00
25-00325	Morris Playground		Everett	\$ 60,000.00
25-00313	Fillipello Park (amendment)		Watertown	\$ 70,000.00
	#1			
25-00329	Silver Lake		Athol	\$ 14,500.00
25-00319	Brookline Pool		Brookline	\$ 176,175.00
25-00336	Memorial Park		Ludlow	\$ 50,000.00
25-00321	Brooksby Farm		Peabody	\$ 16,000.00
25-00331	Vale St. Playground		Clinton	\$ 7,500.00
25-00321	Town Park		Milford	\$ 50,000.00
TOTALS (no acquisition				\$ 2,551,791.00
				acres)

Some \$ 87,416.00 was also allocated to D.E.M. for S.C.O.R.P. planning but as of this writing no application has been submitted for obligation.

During the fiscal year the following projects received partial and/or final reimbursements. They were:

* subsequently cancelled

FY-1983 L&WCF REIMBURSEMENTS

<u>PROJECT#</u>	<u>PROJECT TITLE</u>	<u>SPONSOR</u>	<u>AMOUNT</u>
25-00189	Brooksby Farm	Peabody	\$ 114,770.00
25-00269	Multi Parks	Westfield	\$ 10,550.00

25-00314	Holyoke H.S.P.	D.E.M.	\$ 319,731.63
25-00243	Forest River Cons. Area	Salem	\$ 400,000.00

50 partial and final payments Totalling			\$2,970,437.78
were received and credited to project sponsors in FY-1983			

Since 1965, Massachusetts has received some \$72,950,192.44 from the Fund. Over 22,014 acres of land and water have been acquired 78 applicants utilizing \$25,490,096.95 in Land and Water Conservation Fund monies. Five planning grants totalling \$904,125.72 have been awarded to D.E.M. for S.C.O.R.P., and the balance of \$46,555,969.82 went to municipal or state park development or renovation projects - in some 208 separate grants.

For a detailed listing of all grants to the Commonwealth please refer to Appendix "A".

CONSERVATION RESTRICTION PROGRAM

In accordance with M.G.L. c.181 s.31-33, conservation restrictions must be approved by the Secretary of Environmental Affairs. The Secretary has also delegated this program administration to the Division.

Some 35 restrictions were approved by the Secretary in FY-1982 and some 23 in FY-1983. The total number of acres placed under conservation restrictions for both years was 945.49.

The following table lists the numbers of conservation restrictions approved by fiscal year and their holders since 1970. They are as follows:

	1970	71	72	73	74	75	76	77	78	79	80	80	82	83	Total
<u>Numbers</u>	3	13	22	24	52	96	76	107	63	29	46	43	35	23	632
<u>Town, City, or Cons. Comm.</u>	2	9	13	11	14	80	50	63	44	22	30	37	29	17	421
<u>Trustees of Reservations</u>	0	0	1	2	17	4	10	10	3	3	5	2	1	0	58
<u>Other Charities</u>	1	4	8	11	21	12	16	34	16	4	11	4	5	6	153

Properties affected lie in 112 Towns and 12 Cities. Total acreage is 17,681.05.

The uncertainty over the pending I.R.S. tax code rules and regulations regarding charitable deductions for conservation purposes continues to have a dampening effect upon potential donors of conservation restrictions. However, the I.R.S. did promulgate proposed program rules in the "Federal Register" on Monday, May 23, 1983 (Vol. 48, No. 100).

The I.R.S. extended the public comment period to September 30, 1983 and also has planned a public hearing for sometime during the month.

While the initial nationwide and statewide reaction of land trust organizations was one of concern, it is hoped the promulgation of the final federal regulations will give the Commonwealth a useful model with which to pattern its approval process after.

The following restrictions were approved in fiscal year 1982:

<u>MUNICIPALITY</u>	<u>GRANTOR</u>	<u>GRANTEE</u>	<u>ACREAGE</u>	<u>DATE APPROVED</u>

SELF-HELP PROGRAM

Since writing the 1981 fiscal year report, the Self-Help Program (c.132A, S.11) received two additional bond fund appropriations from the Legislature. In Chapter 784, Acts of 1981 some \$5,000,000 was authorized. In Chapter 313, Acts of 1982 an additional \$3,000,000 was appropriated for conservation land acquisition grants to municipalities.

As mentioned in the previous annual report the FY-1982 funding cycle started with a program balance of approximately \$750,000.

The following projects were approved for funding during FY-1982:

Self-Help Projects - Fiscal Year 1982

<u>MUNICIPALITY</u>	<u>PROJECT</u>	<u>ACRES</u>	<u>AMOUNT</u>
Amherst # 22	Freeman Property	10.6	\$ 3,600.00
Berlin # 2	Mt. Pisgah(Tyler Prop.)	144.0	\$ 44,000.00
Chelmsford # 6	(Additional damage award)		\$150,000.00
Dennis # 9	(Additional damage award)		\$126,000.00
Easton # 4	Randall St. Property	180.0	\$ 98,000.00
Medfield # 8	Laurie Property	14.6	\$ 48,000.00
Merrimac # 2	Cyr Property	19.0	\$ 24,000.00
Newton # 13	Saw Mill Brook	3.23	\$ 26,600.00
Reading# 3 and # 5	(Additional damage awards)		\$ 13,125.00
Sharon # 14	Cunningham Property	.9	\$ 24,000.00*
Templeton # 1	Templeton Pond	98.7	\$ 25,480.00**
Topsfield # 3	(Additional damage award)		\$ 24,000.00
Wayland # 21	Watertown Dairy	8.0	\$ 6,000.00**
Wayland # 22	Watertown Dairy	93.0	\$136,000.00**

Totals 571.59 acres

\$ 748,805.00

Of particular note, the Berlin project completed what had been a county and state objective since the mid 1960's-the creation of the Mt. Pisgah reservation. Combined with adjacent state Fisheries and Wildlife and Northborough Conservation Commission properties the Tyler property acquisition eventually completed the assembly of the Mt. Pisgah reservation.

*Subsequently cancelled due to Town's inability to come into compliance with E.O.E.A. affirmative action regulation.

** Subsequently withdrawn

The following Self-Help reimbursements were made in FY-1982. They were:

<u>MUNICIPALITY</u>	<u>AMOUNT</u>
Acton S.H. # 33	\$ 48,080.00
Amherst S.H.# 22	\$ 3,100.00
Andover S.H.# 20	\$ 650.00
Andover S.H.# 29	\$ 27,000.00
Barnstable S.H.# 34(damage award)	\$156,765.00
Bolton S.H.# 5	\$ 4,950.00
Boxborough S.H.# 5	\$ 75,000.00

South Hadley S.H.# 7	\$ 36,000.00

<u>MUNICIPALITY</u>	<u>AMOUNT</u>
Stockbridge S.H.# 1	\$200,000.00*
Stow S.H.# 3	\$212,500.00
Tisbury S.H.# 1	\$ 30,000.00
Topsfield S.H.# 3 (damage award)	\$ 24,000.00
Walpole S.H.# 21	\$ 34,000.00
Woburn S.H.# 8	<u>\$ 93,250.00</u>
Total paid in FY-82	\$1,463,584.50

* The first projects to receive full 80% reimbursement authorized under 1980 amendment to the S.H. act.

While the 1981 and 1982 capital outlays came too late for the 1982 cycle they were available, however, for the FY-1983 grant round. Approximately 3.1 millions of dollars were obligated in 1983. The following projects were approved for funding in FY-1983:

SELF-HELP PROJECTS - FISCAL YEAR 1983

<u>MUNICIPALITY</u>	<u>PROJECT</u>	<u>ACRES</u>	<u>AMOUNT</u>
Amherst # 23	Jackson Property	56.6	\$ 32,800.00
Andover # 31	Pole Hill	34.0	\$ 28,000.00
Braintree # 2	Cedar Swamp	15.3	\$ 10,800.00
Braintree # 3	Cedar Swamp	1.55	\$ 560.00*
Danvers # 3	Sawyer-Wood Property	41.2	\$280,000.00
Dennis # 28	The Plashes	49.4	\$ 60,800.00
Lexington# 55	Grove Street Property	.8	\$ 15,600.00
Marblehead # 4	(Additional damages)		\$117,044.02
Mashpee # 1	Makepeace/Wiljoles land	123.76	\$336,000.00
Milton # 10	Hornfels Quarry	23.7	\$ 48,960.00
Oak Bluffs # 1	Girl Scout Sailing Camp	15.4	\$378,960.00
Pepperell# 10	Nashoba Valley Hunt Club	49.4	\$ 60,800.00
Reading # 10	(Additional damages)		\$ 10,500.00

<u>MUNICIPALITY</u>	<u>PROJECT</u>	<u>ACRES</u>	<u>AMOUNT</u>
Rockport # 2	Nugent's Stretch	8.9	\$28,800.00
Rutland # 1	Blair Property	20.0	\$300,000.00
Salem # 1	(Additional damage award)		\$671,556.00
Taunton # 5	Plonka Property	17.25	\$ 32,000.00
Wayland #23	Shoenfeld Property	7.61	\$ 66,800.00*
Westford # 4	Agnew Property	21.14	\$ 40,000.00
Westford # 5	MacDougall Property	2.97	\$ 28,000.00
West Tisbury # 1	Greenlands	380.0	\$344,000.00
Yarmouth # 2	Sandy Pond Acquisition	44.4	\$240,000.00
Totals 912.98 acres			\$3,131,980.02

* Subsequently cancelled

Of particular note were the Mashpee, Milton and West Tisbury projects. The Makepeace/Wiljoles property in Mashpee preserved over 123 acres of active cranberry bogs which the Town proposes to maintain not only for their income potential but for the preservation of the cultivation of cranberries in Mashpee. The project also will provide a swimming beach on John's Pond and protect some 3000 feet of the Quashnet River an important alewife and "salter" run.

The Milton Hornfels Quarry will protect an archeological site of state-wide importance and will add to the Blue Hills Reservation park system.

The West Tisbury Greenlands acquisition was particularly unique in that the Town (ratified at Town Meeting) demonstrated the water bearing potential of the underlying aquifer and agreed to share its water with other Martha's Vineyard Towns. Being adjacent to the Department of Environmental Management's state forest, the town also agreed to develop a joint management program for the property and swap a piece of town land for state property thereby eliminating private inholding access problems for the D.E.M. while providing trail access and parking for the Town.

The following Self-Help reimbursements were made in FY-1983. They were:

<u>MUNICIPALITY</u>	<u>AMOUNT</u>
Amherst S.H.# 23	\$ 30,496.00
Berlin S.H.# 2	\$ 44,000.00
Chelmsford S.H.# 6 (damage award)	\$150,000.00
Easton S.H.# 4	\$ 98,000.00
Medfield S.H.# 8	\$ 48,000.00
Merrimac S.H.# 2	\$ 21,600.00
Newton S.H.# 13	\$ 26,600.00
Pepperell S.H.# 9	\$ 3,681.00
Pepperell S.H.# 10	\$ 60,800.00
Reading S.H. # 3 and 5 (damage award)	\$ 13,125.00
Taunton S.H.# 3	\$ 6,000.00
West Tisbury S.H.# 1	\$344,000.00
<hr/>	
Total paid in FY-1983	\$846,302.00

URBAN SELF-HELP PROGRAM

Chapter 933, Acts of 1977 authorized the Secretary of the Executive Office of Environmental Affairs to provide grants of up to 80% to aid cities and urban towns (population 35,000 and up) acquire land for park and recreation purposes. The 1978 Capital Outlay, chapter 513, Acts of 1978 authorized \$5,000,000 for the program, \$3,350,000 was authorized via chapter 578, Acts of 1980 and an additional \$5,000,000 was authorized via chapter 313, Acts of 1982. The 1980 and 1982 legislative appropriations also permitted the Secretary to utilize 15% and 20% of the respective appropriations for National Park Service UPARR grant matches. The UPARR program will be discussed in the following section.

The program provides financial assistance for land acquisition and ancillary costs such as title searches, appraisal costs, relocation fees and recording costs.

The two main objectives of the program are to provide sorely needed park and recreation space in neighborhoods deficient in park space and to help spur urban revitalization efforts by providing an open space amenity which will help lever other private capital in redevelopment programs.

Program activity dropped markedly in fiscal years 1982 and 1983 as the impacts of Proposition 2½ hit the older urban communities hardest.

The following municipal projects received Urban Self-Help commitments as follows:

URBAN SELF-HELP PROJECTS - FISCAL YEAR 1982

<u>MUNICIPALITY</u>	<u>PROJECT</u>	<u>ACRES</u>	<u>AMOUNT</u>
Boston U.S.H.# 1	Urban Wilds (amendment)	-	+ \$ 20,000.00

URBAN PARK AND RECREATION RECOVERY PROGRAM (UPARR)

The Urban Park and Recreation Recovery Act (P.L. 95-625, Title X) enacted in November, 1978 by Congress established a program to provide matching federal grants directly to distressed local urban governments for the revitalization of their existing recreation systems. It is a five year program administered by the Department of Interior, National Park Service(formerly the HCRS). National Park Service may fund up to 70% of the total project cost and can increase to 85% if the state provides a 15% match.

In association with the federal program, a state UPARR Program was authorized by Chapter 578, Section 49 of the Acts of 1980. Local governments which are eligible to receive federal UPARR financial assistance may concurrently receive up to 15% of project costs from the Commonwealth. The 1980 legislation, however, limited the amount available for UPARR purposes to 15% of the appropriation or \$670,000.00. The \$670,000 was quickly committed to seven applicants as reported in the previous annual report for the period 1979 - 1981.

There was no UPARR appropriation by Congress in FY-1982 and thus no state program that year. However, in preparation for an anticipated FY 1983 appropriation the Division sought and received approval to utilize additional monies for UPARR participation in the 1982 "Off-Street Parking" capital outlay. Chapter 313, Acts of 1982 appropriated an additional \$5,000,000 to the Urban Self-Help Fund and c.167, Acts of 1983 authorized the division to utilize up to 20% or \$1,000,000 for UPARR purposes.

Though Congress did not appropriate any money for the UPARR program in 1982 it did keep the program alive by authorizing \$40,000,000 in the Emergency Jobs Act of 1983 (P.L. 98-8). The intent of the appropriation was twofold - to keep the program alive and to spur employment.

Because of Congress' desire to assure rapid implementation, the grants had to be obligated before October 1, 1983, construction work commenced before January 1, 1984, and projects closed-out before September 30, 1984.

Some 17 applications were filed with the National Park Service for funding in FY-1983. They were:

	<u>UPARR</u>	<u>LOCAL</u>	<u>TOTAL</u>
Lawrence	\$ 84,000	\$ 36,000 (30% local)	\$ 120,000
Lowell	85,000	15,000	100,000
Medford	297,500	52,500	350,000
Plymouth County	780,470	137,730	918,200
Revere	361,250	63,750	425,000
Salem	75,225	13,275	88,500
Everett	309,400	54,600	364,000
Somerville	336,978	59,467	396,445

	<u>UPARR</u>	<u>LOCAL</u>	<u>TOTAL</u>
Chicopee	\$ 127,524	\$ 22,504	\$ 150,028
Pittsfield	93,266	16,459	109,725
Boston	1,162,180	205,091	1,367,271
Brockton	243,100	42,900	286,000
Holyoke	208,250	36,750	245,000
Essex County	912,578	161,042	1,073,620
Worcester	246,474	43,496	289,970
Brookline	64,983	11,467	76,450
Webster	110,500	19,500	130,000
	-----	-----	-----
Total	\$5,498,678	\$991,531	\$6,490,209

The following projects were approved for state and federal funding:

	<u>UPARR</u>	<u>STATE</u>	<u>TOTAL</u>
Boston	\$1,162,180	\$ 205,091	\$1,367,271
Brockton	243,100	42,900	286,000
Brookline	64,983	11,467	76,450
Lowell	85,000	15,000	100,000
Revere	361,250	63,750	425,000
Worcester	246,474	43,496	289,970
	-----	-----	-----
Total	\$ 2,162,987	\$ 381,704	\$ 2,544,691

The National Park Service also placed the following projects on an alternate funding list to be approved after August 15, 1983 in anticipation of withdrawn grant offers. They were:

	<u>UPARR</u>	<u>STATE</u>	<u>TOTAL</u>
Holyoke	\$ 208,250	\$ 36,750	\$ 245,000
Salem	75,225	13,275	88,500
Somerville	336,978	59,467	396,445
	-----	-----	-----
	\$ 620,453	\$109,492	\$ 729,945

The prognosis for funding of these projects in the next fiscal year looks good.

As of this writing, only one UPARR project has been closed-out and reimbursement made. Some \$47,735 was paid to Attleborough, for their Recreation Center Rehabilitation.

OPEN SPACE PLAN REVIEW

One of the prerequisites for receiving assistance from any of the four grant-in-aid programs administered by the Division of Conservation Services previously discussed in the report is that a municipality submit to the Division of Conservation Services and obtain approval of a conservation and/or recreation plan prepared or updated within the past five years. This planning requirement was established in 1967 to encourage a systematic method of meeting local and regional conservation, recreation and open space needs.

The Division of Conservation Services encourages communities to develop conservation and/or recreation plans not only as a requirement for receiving grant assistance but also because such plans provide a meaningful and valuable community planning and action tool in making land use decisions.

Several types of planning documents may be submitted. Joint plans, usually prepared with the cooperation of several municipal agencies, that cover conservation and recreation issues may provide eligibility for all four programs. Plans prepared by an individual municipal agency that deal only with conservation or recreation issues may provide eligibility for only one of the programs (i.e. a recreation plan alone may provide eligibility solely for participation in the Land and Water Conservation Fund Program or a conservation plan alone may provide eligibility for participation in the Self-Help Program).

The conservation and/or recreation open space plan may be written either "in house" by local municipal agencies and volunteers or by a consultant. The Division of Conservation Services makes no stipulation concerning who produces the plan.

The division's 1978 planning guidelines were modified slightly in 1982 to insure municipalities included rare species habitat and prime agricultural lands issues in their plans.

Please refer to Appendix B for the current eligibility list of those communities which have filed open space and recreation plans with the division.

CONSERVATION DISTRICTS

As required by M.G.L. Chapter 21, Section 19, the Committee For Conservation of Soil, Water and Related resources met quarterly during the fiscal years 1982 and 1983 on the second Thursday of January, April, July and October.

As of the end of FY-83 the members of the State Committee were as follows:

<u>APPOINTED MEMBERS (voting)</u>	<u>REPRESENTING</u>	<u>TIME EXPIRES</u>
Lee Davis, Chairman	Massachusetts Association of Conservation Districts	11/82
Leon Bunk, Vice Chairman	Massachusetts Association of Conservation Commissions	11/83
Howard Hayward	Massachusetts State Grange	11/84
Harley Phelps, Jr.	Massachusetts Farm Bureau	11/85

EX-OFFICIO MEMBERS(voting)

*Anthony Cortese, Commissioner Mass. Water Resources Commission
Dept. of Evt. Quality Engr.

James Gutensohn, Commissioner Mass. Water Resources Commission
Dept. of Evt. Management

Dr. Daniel Padgerg, Dean College of Food and Natural Resources
University of Massachusetts
Amherst

Fredrick Winthrop, Mass. Dept. of Food and Agriculture
Commissioner

ADVISORY MEMBERS

Rex O. Tracey, State Conservationist USDA/Soil Conservation Service

Lew Wells, Chairman Mass. State Reclamation Board

Richard Cronin, Director Mass. Division of Fisheries & Wildlife

*Co-Chairman, Water Resources Commission, one vote between the two.

Lee Davis, representing the Massachusetts Association of Conservation Districts, was twice re-elected as chairman in both fiscal years 1982 and 1983.

During the past two years several members of the Committee departed either for new job assignments or by retirement. John McColgan after many years in the Legislature and then in the Department of Food and Agriculture retired from the State Reclamation Board in June of 1983 and was replaced by Lew Wells.

James Gutensohn replaced previous D.E.M. Commissioner William Hicks in January of 1981 and Daniel Padberg was appointed Dean of the College of Food and Natural Resources replacing acting Dean Dr. James Kring in 1982.

During FY-1983 Sherman Lewis, State Conservationist was replaced by Rex O. Tracey as the Soil Conservation Service advisory member to the Committee. We wish Sherman luck in his new appointment as State Conservationist in Nebraska and welcome Rex Tracey

STATE COMMITTEE ACTIVITIES

During 1982 and 1983 the State Committee was able to accomplish and provide direction to the Director of Conservation Services and to the Conservation Districts in the following areas:

(1) Filed legislation in both years to revise c. 21, s. 18-25. Unfortunately the legislation died in the House Ways and Means Committee both years.

(2) Provided 1/3 funding for the Northeastern Massachusetts Interim Soil Survey Report. (Available to towns, developers, engineers, etc. in Essex, Middlesex, Worcester and Suffolk counties through the districts in these counties).

(3) Provided funds to the Connecticut Valley Districts (Hampden, Hampshire and Franklin) to present the New England Tillage conference in cooperation with other Federal, State and local agencies.

(4) Held training sessions for district supervisors around the state. Supervisor from the State of Connecticut also attended one of the sessions.

(5) Published "Massachusetts Land and Water" in conjunction with a grant from the Massachusetts Association of Conservation Districts and the United States Department of Agriculture/Soil Conservation Service.

(6) Provided financing to the Southeastern Conservation District (Bristol, Cape Cod, Norfolk and Plymouth) for a Southeastern Water Educational conference to be held in the spring of 1983.

(7) Assisted the Director in allotting state appropriations during FY-1982 and FY-1983 to the 16 conservation districts.

Several of the above accomplishments resulted from the recommendations made by the Ad-Hoc Committee created in 1980 by Chairman, Lee Davis, of the State Committee for the Conservation of Soil, Water and Related Resources.

DISTRICT ACTIVITIES

On March 23, 1982 the Connecticut Valley Conservation Districts utilizing a \$5,000 seed grant from the State Committee and aid from other agencies held a New England Conservation Tillage Conference at the Springfield Civic Center. Attended by some 700 farmers from throughout New England, the conference presented the latest "no-till" agriculture methods and its cost and benefits. The conference proved such a success that a second conference was held in March of 1983. The state Committee authorized the conference profits to remain in districts hands for the furtherance of no-till agriculture in the Connecticut Valley.

In July of 1982 the Bristol Conservation District received a \$10,000 grant from the Bristol County Commissioners to construct canoe launching areas along the Taunton River. Working with a local U.S. Army Construction Battalion the district constructed three launching sites.

The division of the Connecticut River Valley Districts also received a special project grant from the Society for Promoting Agriculture during FY-82 to purchase a "no-till" seeder to promote no-till technology in the valley. Leased to farmers otherwise reluctant to purchase another piece of expensive equipment, the district supervisors hoped to demonstrate to farmers the soil conservation and energy savings possible through no-till operations. The program has also proven to be a huge success.

The Dukes Conservation District took a lead role (not to mention providing financial assistance) with S.C.S., through the Resource Conservation and Development Program, and undertook an important dune restoration program on Norton Point in Edgartown. Owned by the County Commissioners, Norton Point - a 2½ mile barrier beach, is an important shellfishing, recreation and wildlife resource. The RC and D project consisted of the installation of 8,675 feet of snowfence, the planting of 24½ acres of beachgrass and the installation 49 information signs to direct off-road vehicular traffic.

Of particular note was a project undertaken by the Middlesex Conservation District during this reporting period. The district established a farmland clearinghouse program designed to match farmers with land available for lease or purchase. The district acquired a computer to assist program operation and it proved so successful that other districts in the state and around the country are implementing similar programs.

In FY-83, Middlesex Conservation District also instituted a fish program as a public service to pond owners in the county. For a fee, the district provided bass and forage fish, together with a pH kit, instructions on pond maintenance and a propagators license.

BERKSHIRE - FRANKLIN RC & D PROGRAM EXPANSION

Late in April of 1983 the United States Department of Agriculture authorized the expansion of the Berkshire-Franklin Resource Conservation and Development Program to include Hampshire and Hampden Counties. Renamed the Berkshire-Pioneer Area the designation provides greater Soil Conservation Services technical and financial assistance to undertake rural conservation and development projects.

While the Soil Conservation Service administers the RC and D program, projects are locally initiated and directed by an RC and D Council. Each RC and D area has its own goals which may include development of land and water for agricultural municipal or industrial use; expansion of recreation facilities; improving markets for crops, livestock or forest products; and improving needed community facilities.

Massachusetts has a second RC and D area which covers Bristol, Plymouth, Cape Cod and the Islands known as the Pilgrim RC and D area.

Districts play a major role in both programs.

OTHER ACTIVITIES

In addition to the above, conservation districts conducted or sponsored numerous annual tree seedling sales, forestry workshops, wildlife workshops, and conducted numerous farm tours and counselled thousands of landowners with natural resource problems.

APPENDIX

A. Detailed Listing of Massachusetts L&WCF Grants

B. Open Space Plans
